

## **DUAL DEGREE PROGRAMS: WHAT IS AVAILABLE TO UKRAINIANS**

**Sikorska Małgorzata, Pererva P.G.**

***Higher School of Labour Safety Management (WSZOP), Katowice***

Double diploma is a joint program of Ukrainian and foreign universities, which give a possibility to Ukrainian students to gain knowledge and diploma of the European sample. The value of dual degree is that the graduate becomes more attractive for domestic employers. But not in every Ukrainian University there are such programs. Although in General this option is possible when training in the public or private school. In any case, to consider the proposals of the universities thoroughly, as their understanding of double degree programs may be different. Most often to participate in the dual degree program can students who are already studying in masters, much less has that opportunity undergraduate. Depending on the agreed terms between the Universities, such programs may be free for students and can be paid independently. To get the opportunity to participate in the dual degree program, usually need to pass a competitive selection. Most often such programs end up excellent. European student become easier if there is a good level of a foreign language. Many universities offer language courses for those who are going to study in the dual degree program. This proposal relates primarily to master's degrees seeking to develop their professional skills as managers, or to acquire such management skills. Program "Double diploma" MBA makes the most courageous expectations of business managers and administrators who decided to use it. Graduates trained in these programs possess the theoretical knowledge and practical skills of highly skilled professionals. Received, during the training, ability of using various marketing tools, as well as excellent language practice and the opportunity to use language skills enable the graduates find a job in companies in the European Union and the United States and other international organizations.

We invite You to study in the School of management of labour protection in Katowice (WSZOP). The training program "Double diploma" is a unique economic proposals – tuition program at University of WSZOP in the Republic of Poland is cheaper than in the U.S. at 70%, which allows listeners to save significant amounts of money. In addition, the presence of the diploma of the American University WSZOP, provides graduates with employment opportunities in businesses and companies of the United States of America, which is the basis for opening a visa to this country for a period of 1 year.
